

RAMPING UP IN THE IQ®

Richardson is among the state's leaders in SBIR funding, and The Richardson IQ® is also uniquely developed to host start-ups and scale-ups due to its flexibility and affordability. Unlike other office parks or industrial parks in the region, The IQ® has a combination of both office and industrial space.

RAMP FUNDING

RAMP offers matching grants for research and development projects.

Phase I eligible companies may qualify for up to **\$50,000** in Program funding.

Phase II eligible companies may qualify for up to an additional **\$100,000** in Program funding.

The total Program award funding available to a business (Phases I and II) is capped at **\$150,000**.

RAMP ELIGIBILITY

RAMP recipients must be located in Richardson, or commit to relocating to and operating in Richardson, for a minimum of five years after receiving funds. Program eligibility and qualifications will be assessed at the end of the first year and adapted as needed.

RAMP APPLICATION

Businesses interested in applying for the RAMP are encouraged to visit www.RichardsonEconomicDevelopment.com for detailed information on eligibility criteria, application procedures and program guidelines.

RICHARDSON RESEARCH AWARD MATCH PROGRAM (RAMP)

is aimed at fostering

RESEARCH, INNOVATION, AND GROWTH

within the local business community.

The program complements the federal
Small Business Innovation Research (SBIR)
and Small Business Technology Transfer (STTR)
programs by offering support to
help reach the eventual commercialization of
emerging technologies.
